

RULES FOR PARTICIPATION ACTION 2019

Primoris ... for a better world

1. This regulation is applicable to "Primoris...for a better world", an action organised in 2019 and only applies to the 2019 edition.
2. Primoris Belgium donates a total of € 20.000 in 2019 to 2 charities, actions or projects. The sum will be divided as follows:
 - €10.000 to a charity, action or project suggested by a customer of Primoris Belgium
 - €10.000 to a charity, action or project suggested by a Primoris Belgium employee
3. Any recognised charity or action (see also 4) is eligible, but customers of Primoris Belgium cannot submit suggestions concerning proprietary charities, actions or projects.
4. All recognised charities, projects or actions, both national and international, may be suggested, provided they are listed on the [website with acknowledged institutions](#). When you are in doubt, contact us via communications.be@primoris-lab.com, so that we can check it for you.
5. Charities, projects or actions that have been selected during previous editions of the action "Primoris ... for a better world" can't be submitted nor selected anymore.
6. The duration of this action, as well as the deadline for submitting suggestions, are mentioned on the website of Primoris Belgium and through the communication channels of Primoris Belgium.
7. When the deadline for submitting suggestions has been met, Primoris Belgium will select 2 submissions, one of which suggested by a customer, another by an employee. For this selection Primoris Belgium will take into consideration the motivation that was provided as to why this project deserves the support of Primoris Belgium. Furthermore, preference will go towards charities, actions and projects that are closely linked to the Primoris Mission: improved food safety, product quality and sustainability.
8. In order to submit a charity, action and project the following data must be provided*:
